

SAVING DINNER

Come and Get It!

Thank you for purchasing Premium Menu-Mailer!

Premium is a tool that lets you pick and choose through our FOUR dinner menus plus the daytime menu to create your personalized and categorized shopping list. The four dinner menus are: Regular, Low Carb, Heart Healthy and the All-New Paleo Menu-Mailer!

With Premium, you build your own database of your past recipes for as long as you've been a member and you can search through the recipes, pick what you want, automatically make your shopping list, remove what you already have and add things like dog food and dish soap.

Getting Started:

Please use this link to access the Premium Membership <http://menumailer.savingdinner.com>. You'll want to bookmark this link for easy access, but you can always go to <http://www.savingdinner.com> and click 'Customer Logins' at the top.

To log on, use the email address that you used when purchasing, and your order number. (The log in is VERY case sensitive, so please make sure you type everything exactly and don't have any spaces before, after or in between any of the letters, numbers or symbols). You can find this information on your receipt.
